- B. Upon receipt, the inquiry is analyzed to determine the best course of action to be taken to resolve the issue. Complaints received by email or telephone will be responded to within three days, excluding weekends and holidays. For complaints that are received by letter, with no alternative contact information provided, the DCS Office of the Ombudsman will mail a written response within three working days.
  - 1. If the complaint meets the criteria of a complaint eligible for action by the

DCS Office of the Ombudsman, the sender is notified of receipt of the complaint and the designated course of action.

2. If the complaint does not meet the criteria of an eligible complaint, the DCS Office of the Ombudsman notifies the sender that the complaint is not a matter that can be addressed by the DCS Office of the Ombudsman, and suggests other resources that may assist. If the complaint is deemed to be a request for information, an Advocate or designee provides the necessary information requested or refers the individual to the appropriate person or agency.

- C. For a written or verbal complaint of dissatisfaction about services, actions, lack of actions, or manner of treatment by Department staff, the DCS Ombudsman, Advocate, or designee:

- explores with the person their specific complaint and provides them with any relevant DCS policies and procedures;
- when necessary, requests additional documentation for review to understand the complaint; and
- within two days, excluding weekends and holidays, of receipt of the complaint, emails the appropriate DCS Supervisor/Child Safety Specialist, requesting either follow-up and/or resolution of the complaint or concern.

The Regional Program Administrator, Program Manager, Program Supervisor, or Child Safety Specialist:

- contacts the person and provides follow-up or determines what actions need to occur to address the complaint in accordance with the best interests of the family being served by DCS;
- within five days, excluding weekends and holidays, of receipt of the notification, emails a response to the DCS Office of the Ombudsman identifying how the specific complaint has been addressed.

The DCS Ombudsman, Advocate, or designee determines if the complaint requires additional resolution and follow-up within five days, excluding weekends and holidays, of the email response from the Program Manager, DCS Program Supervisor, or Child Safety Specialist, in consultation with the appropriate Regional Program Manager or designee.

- D. To resolve the complaint, the DCS Office of the Ombudsman may use the following conflict resolution processes:

1. a referral to the appropriate individual or program to address the issue;
  2. a response by the Advocate within the DCS Office of the Ombudsman;
  3. a client grievance; complaints will be considered for the client grievance process upon review by the DCS Office of the Ombudsman and only after less formal conflict resolution processes have been attempted. Complainants must have attempted to resolve their complaint through informal discussion with their Child Safety Specialist and DCS Program Supervisor;
  4. a kinship placement denial grievance.
- E. Each complaint is reviewed and the following information is documented in the DCS Office of the Ombudsman data base:
1. the origin, source type, and concern of the complainant;
  2. the results of the investigation;
  3. the resolution; and
  4. any concerns with the child welfare system identified by the complaint process.
- F. Grievance Process: Upon determination by the DCS Office of the Ombudsman that a complaint requires a formal response, the complaint is referred to the client grievance process. The client grievance process consists of the following:
1. Level I: Complainants complete the [Client Grievance](#) as provided by the DCS Office of the Ombudsman. The form is signed, dated, and the original submitted to the DCS Office of the Ombudsman.
- After receipt of the [Client Grievance](#), the DCS Office of the Ombudsman determines if the Level I complaint is eligible for the process. The following complaints may not be grieved:
- an appeal of substantiated allegations of abuse or neglect ([A.R.S. § 8-811](#));
  - a denial of an allegation of abuse or neglect in a dependency petition ([A.R.S. § 8-844](#));
  - removal of a child from a parent or guardian's home ([A.R.S. § 8-822](#));

- court-ordered mediation outcomes ([A.R.S. §.8-844](#));
- complaints involving a specific issue before the juvenile court;
- results of an evaluation such as psychological, psychiatric, substance abuse, medical, etc. (if these results are introduced as evidence, they may be disputed in the tribunal in which they are introduced);
- complaints previously reviewed or currently being reviewed by the Arizona Office of the Ombudsman-Citizens' Aide for which there has been a completed investigation and finding ([A.R.S. § 41-1371](#) through [41-1383](#));
- denial or revocation of a license or certification ([A.R.S. § 8-506](#)) – foster home; ([A.R.S. § 8-506.01](#)) – child welfare agency; see rules for Appeals and Hearings, Arizona Administrative Code Title 21, [Chapter 1](#) and [Chapter 6](#), and Title 6, Chapter 5, [Article 74](#);
- issues concerning contract providers where the procurement code applies;
- [Arizona Revised Statutes, Title 41, Chapter 23](#); and
- any complaint previously grieved when there are no new circumstances.

If the grievance is not eligible for the client grievance process, the DCS Office of the Ombudsman, within five days, excluding weekends and holidays, provides a written response to the individual explaining why the issues raised do not fall within the grievance guidelines.

If the complaint is determined to be eligible, the DCS Office of the Ombudsman has one day, excluding weekends and holidays, to assign the grievance to the appropriate Regional Program Administrator or designee to address the matter.

The Program Manager or designee:

- schedules a meeting with the person who filed the grievance. This meeting is to be held within 14 days, excluding weekends and holidays, from the date it was received by the DCS Office of the Ombudsman to address the grievance.
- mails a response letter to the complainant within five days, excluding weekends and holidays, of the meeting and includes the [Level II Client Grievance](#) so the complainant may request further appeal through the DCS Office of the Ombudsman; and
- emails the response letter to all appropriate parties, including the DCS Office of the Ombudsman.

The DCS Office of the Ombudsman, in consultation with the appropriate Regional Program Administrator Program Manager, determines if a complaint requires additional resolution and if follow-up is needed.

2. Level II: If a complainant is not satisfied with the Client Grievance Level I response, they may appeal to the DCS Office of the Ombudsman by submitting a [Level II Client Grievance](#) within 30 days from the date on the written response to the Level 1 grievance. The Client Grievance Level II contains only unresolved issues from Client Grievance Level I and may not introduce new issues. The complainant submits the original signed and dated Client Grievance Level II form to the DCS Office of the Ombudsman.

The DCS Office of the Ombudsman reviews the Client Grievance Level II form and the written response to the Client Grievance Level I to determine if additional appeal is appropriate and can bring about a resolution. If approved for further appeal, the DCS Office of the Ombudsman notifies all parties by email that a Client Grievance Level II has been received and provides a copy of the Client Grievance Level II as well as the Client Grievance Level I and written response for review to assist in preparing for the Client Grievance Level II meeting.

The Regional Program Administrator or designee:

- a. schedules a meeting with the person who filed the grievance and the Office of the Ombudsman to be held within ten days, excluding weekends and holidays, from the date it was received by the DCS Office of the Ombudsman to address issues included in the Client Grievance Level II;
  - b. mails a response letter to the client within five days, excluding weekends and holidays, of the meeting, including a [Client Grievance Level III](#) so the complainant may request further appeal through the Office of the Ombudsman; and
  - c. emails the response letter to all appropriate parties, including the DCS Office of the Ombudsman.
3. Level III: If a complainant is not satisfied with the Client Grievance Level II response, they may appeal to the DCS Office of the Ombudsman by submitting a [Client Grievance Level III](#) within 30 days of the date listed on the written response for the Level II written response.

If approved for further appeal, the DCS Office of the Ombudsman notifies all parties by email that a Client Grievance Level III has been received and provides a copy of the Client Grievance Levels I and II and their respective written responses for review to assist in the preparation of the Level III written response.

The Deputy Director or designee:

- a. reviews the Client Grievance Levels I and II documentation and all appropriate case information to address the complainant's issues;
- b. mails a response letter to the complainant within 60 days from the date it was received at the DCS Office of the Ombudsman; and
- c. emails the response letter to all appropriate parties, including the DCS Office of the Ombudsman and the Regional Program Administrator or designee.

#### 4. Out-of-Home Care Providers and Service Provider Grievances

Complaints by out-of-home care providers and service providers that are not related to a licensing issue are addressed according to the client grievance process.

The DCS Office of the Ombudsman determines who within the Department should respond to the complaint based upon who is making the complaint and the nature of the complaint.

The DCS Office of the Ombudsman determines who is responsible for processing Level II Client Grievances.

#### 5. Kinship Placement Denial Grievances

Potential kinship providers who have been denied placement by the Department may submit a Kinship Placement Denial Grievance which is addressed according to the client grievance process.

#### 6. Complaints Received by the Director's Office or other Department Offices

The DCS Office of the Ombudsman (Ombudsman or designee) receives from the Director's office (directly and/or from the email inbox) correspondence from complainants who have sent a written expression of dissatisfaction, to determine the best course of action to address the

concern.

The DCS Office of the Ombudsman receives from other departments, such as the Arizona Ombudsman Citizens' Aide Office, Governor's Office, and Legislative and Senate Constituent Services, complaints from complainants and determines the best course of action to address the concern.

Responses may consist of any of the previously described methods (i.e. Advocate response, DCS Ombudsman response, or Client Grievance).

#### 7. Resolution and Follow-up Actions

When a complaint requires additional resolution and follow-up, a corrective action plan for resolution is developed by the Program Manager, designee, or appropriate DCS Regional Program Administrator and is approved by the DCS Ombudsman or designee. The plan includes actions to be completed with due dates for their completion.

#### 8. Complaint Quality Assurance

The DCS Ombudsman is responsible for ensuring that data management reports are generated on a monthly basis from the Inquiry Management System for review by the Department's management team. Reviews include identification of any trends, any follow-up action that is to occur as a result of this review, and if any policy revisions are required.

#### 9. Documentation

For client grievances, document the grievance proceedings as follows:

- a. The Office of the Ombudsman maintains a copy of any grievance response letters or forms;
- b. Level I, II, and III information is entered into the tracking database system by the DCS Office of the Ombudsman within one day, excluding weekends and holidays, of receipt;

The documentation shall be maintained in the DCS Office of the Ombudsman for three years.
