1. DCS Human Resources is responsible for ensuring that job announcements for all Department positions covered by this policy contain the following provision:

“Applicants for this position will be required to apply for and show proof of receipt of a valid Arizona Fingerprint Clearance Card that meets Level One Fingerprint Clearance Card requirements.”
2. Applicants who disclose any of the non-appealable offenses on the *Certification of Criminal Offense* or the *Application for Employment*, or are found to have an unreported criminal background, will not be considered for employment in a position covered by this policy.
3. Applicants who disclose any of the appealable offenses on the *Certification of Criminal Offense*, or the *Application for Employment* will not be considered for employment in any position covered by this policy unless they have a valid clearance card that meets Level One Fingerprint Clearance Card requirements.
4. Applicants who disclose a misdemeanor or felony violation contained in [A.R.S. §§ 28-1381-1383](#) within the past five years may be considered for employment in a position covered by this policy. If hired, it must be in a position that does not require driving as they are not allowed to drive any vehicle to transport DCS clients or employees.
5. The hiring authority shall search the Arizona Supreme Court Public Records at: <http://www.supreme.state.az.us/publicaccess/> to determine if the individual has a criminal background. This search is done by

entering the individual's name and, if available, her/his date of birth. Applicants whose public records search yields either a conviction or an unresolved arrest for a criminal conviction consistent with any offenses disclosed on the *Certification of Criminal Offense*, or the *Application for Employment* shall not be offered employment.

6. For applicants who provide a clearance card at the job interview, prior to extending an offer of employment, the hiring authority must confirm that the clearance card is valid and whether the card meets the Level One Fingerprint Clearance Card requirements. The hiring authority shall be subject to disciplinary action up to and including dismissal for failing to confirm the validity of a clearance card.

B. Clearance Card Validation

Clearance cards issued after July 1, 2009, and which are identified as Regular Cards, do not meet the requirements for a Level One Fingerprint Clearance Card. The hiring authority and/or supervisor shall confirm the type and the validity of an existing clearance card by using the following procedures:

1. The hiring authority/supervisor shall immediately submit a Validation email and the copy of the clearance card to the DCS Employee Relations Coordinator by emailing them at EmployeeRelations@azdcs.gov.

If a position is not available, the employee will be identified for dismissal. The Department may allow the employee thirty (30) workdays from date of notice the opportunity to apply for and secure a new position; if unsuccessful, the employee will be identified for dismissal.
3. Employees who disclose any of the appealable offenses on the *Certification of Criminal Offense* or the *Application for Employment* will be reassigned to a position not covered by this policy with the same classification, if one is available. The employee will be allowed thirty (30) days from the date of notice that their duties are being reassigned to obtain a good cause exception. If a position is not available or the person cannot obtain a valid Fingerprint Clearance Card, then the employee will be identified for dismissal.

7. Applicants/employees who are denied a clearance card or have their clearance card suspended or revoked for any of the appealable offenses identified on the *Certification of Criminal Offense*, or who receive a card that does not meet the Level One requirements, may apply to the

Board of Fingerprinting for a good cause exception. The DPS Disposition letter provides instructions on applying for a good cause exception, when applicable.

8. Employees who wish to be considered for reassignment pending the disposition of a good cause exception hearing must apply for the hearing and provide proof of the application for the hearing to their supervisor within five (5) business days following receipt of the denial/suspension/revocation notice.
